2023 Calistoga BDX Red Wine Blend – Club Price 85

55% Cabernet Sauvignon, 27% Cabernet Franc, 18% Merlot sourced from Calistoga aged on 100% new French Oak

Our “Calistoga BDX” blend is a classic Bordeaux blend of Cabernet Sauvignon, Cabernet Franc, and Merlot. The fruit is all sourced from the Kenefick Ranch in Calistoga, a property farmed since the early 1970s by Dr. Kenefick. The vineyard is planted in rhyolitic soils at the base of Mt. St. Helena and produces concentrated fruit displaying ripe, warm fruit characteristics along with fine, balanced tannins.

The vineyard where our BDX Blend is located is the “it” part of Calistoga. Across from Solage and the new Four Seasons property and next door to Araujo. This beautiful vineyard location rests on an alluvial fan at the base of the Palisades, the rise high above Calistoga. Warm days yield to cooling breezes that spill through the Chalk Hill Gap in the evenings. The wines have a bright acidity on the palate.

This is a truly engaging wine, artfully showcasing the synergy of classic Bordeaux grapes. The initial aromatic wave delivers an impression of succulent red currant and fresh cherry, a bright greeting that soon deepens. This evolves into a richer core of intense blackberry and dark plum, accented by intriguing notes of mocha shavings and a subtle floral lift of candied violets. Underlying these fruit and floral tones are sophisticated mineral hints of pencil lead and a touch of spiced earth, adding further dimension. On the palate, this wine unfolds as a rich mosaic of sensations. It begins with a lively, palate-awakening zest, transitioning smoothly into a velvety and expansive mid-palate. Layers of concentrated dark berry fruit unfold, complemented by nuances of fine cocoa and subtle warming spices. Finishing with a polished tannins and a hint of dried herbs, leading to a persistent and sophisticated finish that resonates with elegance.

The Estate Pinot Noir continues to impress us year after year, and the 2019 is no exception. The Estate offering has an amazingly complex display of intense black cherry, fresh earth, forest floor, black tea, and even light hints of vanilla bean. More than the expressions themselves, it is the balanced concentration and finesse of how they present. The palate is inviting but holds tension with an exciting liveliness and silky entry on the palate that carries the weight and concentration with such finesse and complete elegance. The continuity among the last several vintages has been very impressive from this vineyard.

2018 Syrah Fort Ross-Seaview Sonoma Coast – Club Price 70

Our 2018 Cinghiale Vineyard Syrah is a great example of how the varietal does on the coast. It has a classic Rhone wild “savage” character, with expressions of black pepper, licorice, roasted plumb, spice, and cured meats. The palate is perfectly juicy with structure provided by very fine tannins. It finishes with focus and definition and makes you excited for the next sip.

Syrah is a varietal like no other and certainly stands out in our portfolio. It is such a dynamic grape to work with as it has unique presentations wherever it grown around the world. We really think that the Sonoma Coast is one of the premier areas for the varietal. It offers a deep, dark color, wild fruit and earth aromatics, a plush mouthfeel, and enough structure that makes it a real food wine that can pair with everything from nuts and cheeses to your favorite wild game, or simply your go to cut of steak on the grill.

2021 Grenache Fort Ross-Seaview Sonoma Coast – Price 75

The 2021 Grenache is quite an impressive example of how well the varietal performs in the Cinghiale Vineyard. It is very typical of this wine to show elements of pipe tobacco, sweet spice, nutmeg, licorice, red fruit, and a striking floral component, but the 2021 is simply more elevated. The aromatics almost have an incense quality. The palate is lively and refreshing but has a wonderful weight for the varietal. Use this wine as an option for your Thanksgiving meal. Will pair well with the entire menu.
