

In 1988, Dave and Yolanda Del Dotto purchased a 17-acre estate in the Rutherford appellation of Napa Valley.

Over the following decades, the family expanded into the finest growing areas of Napa Valley and Sonoma Coast. Family-owned and operated for more than 35 years, the winery is guided by Dave and Yolanda and their children Desirée and Giovanni. Del Dotto is known for its pioneering single-barrel single-vineyard program and two cave tasting destinations in St. Helena and Yountville, each featuring spectacular Italian cave architecture and an immersive barrel tasting experience that have made them among Napa Valley's most visited. A consistent vision of producing rich, luscious, silky-smooth wines runs across every appellation.

2022 PIAZZA DEL DOTTO OAKVILLE ESTATE FAMILY RESERVE CABERNET SAUVIGNON

VINEYARD

Nestled perfectly between the Mayacamas and Vaca mountain ranges just north of Yountville, the Piazza Del Dotto Estate Oakville Vineyard soaks in the best of Napa Valley's sunshine and cooling southern winds. This harmony speaks loudly through the wines made here; with the exceptionally lush and jammy berry notes balanced with mouth-watering acidity. The Oakville AVA without surprise is one of the most highly decorated AVAs in Napa Valley, creating powerful wines that age wonderfully over decades. This vineyard is located at our newest winery and tasting room, Piazza Del Dotto, that opened in 2017.

TASTING NOTES

The Oakville appellation is one of the most famous areas for Cabernet Sauvignon in Napa Valley. The 2022 Piazza Del Dotto Oakville Family Reserve Cabernet is a superb offering and a perfect representation of the terroir from this renowned appellation. With only 15 barrels made, this wine is aged in the best French oak barrels we have and comes from our newest East block of this amazing vineyard site. The bouquet is full of bright red fruits like currant and red plums that evolve into blueberry, crème de cassis, chocolate, and nutmeg. The mouthfeel is big and complex with viscous and focused layers of flavor. The tannin structure will allow for beautiful aging and yet be very approachable in its youth.
