

In 1988, Dave and Yolanda Del Dotto purchased a 17-acre estate in the Rutherford appellation of Napa Valley.

Over the following decades, the family expanded into the finest growing areas of Napa Valley and Sonoma Coast. Family-owned and operated for more than 35 years, the winery is guided by Dave and Yolanda and their children Desirée and Giovanni. Del Dotto is known for its pioneering single-barrel single-vineyard program and two cave tasting destinations in St. Helena and Yountville, each featuring spectacular Italian cave architecture and an immersive barrel tasting experience that have made them among Napa Valley's most visited. A consistent vision of producing rich, luscious, silky-smooth wines runs across every appellation.
